## Biography for Mrs. Marian Sullivan

Mrs. Marian Elizabeth “Prissi” Sullivan, was 69 years of age when she passed away due to injuries sustained in an automobile crash.

Prissi was born in Macon and she graduated from Georgia College in Milledgeville, Georgia with a Bachelor's Degree in Sociology. She later met her husband David, when they moved to Villa Rica and started a family raising their now grown children Shannon and Jeffrey.

She was a former educator which included years of teaching, substituting, volunteering and mentoring students of all walks in life predominantly at Villa Rica High School. Prissi also worked for decades as a reporter with the local Star News headquartered in Carroll County as well as with the U. S. Census Bureau. Prissi had a great love for her community, which is reflected in her diligent work and association as a member of the Villa Rica Golden City Lions Club, founding member of the West Georgia Soccer Association, board member of the former Villa Rica Midget Football Association, and she also served on both the Villa Rica Recreation Advisory and the Friends of the Library, Boards. She enjoyed many hobbies including scrap booking, painting, and traveling. The theater was another love of hers and she had the opportunity to be actively involved with the Powell Park Plays. She thoroughly enjoyed local trivia nights out with friends and was an avid supporter of the Villa Rica High School Academic Decathlon Team.

Prissi was a woman of faith, loved her family, vivacious, and was full of life and laughter. That beautiful smile of hers was contagious; she was warm, caring and genuinely hospitable with an unmistakable bit of southern sassy wit that was an authentic trademark for all who knew her. To know Prissi, was to love her, and she will be warmly remembered by all who valued her many contributions. It is said there was never a stranger who met Prissi because her instantaneous, infectious personality won over anyone who crossed her path as if you had known her your entire life. There will never be another Prissi Sullivan but we are so fortunate to have had her love and support both individually and as a community for so many years.
